

## Risk Assessment - 1<sup>st</sup> Hoveton and Wroxham Sea Scouts

|                                      |                                                                                                                                                                        |                         |          |                                           |            |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|----------|-------------------------------------------|------------|
| Name of activity, event and location | Additional Risks associated with activities at Caen Meadow. See also the Hikes RA and Water Activities RA. This RA is supplementary for risks specific to Caen Meadow. | Date of Risk Assessment | 09.02.25 | Name of Person doing this risk assessment | Nigel Pope |
|                                      |                                                                                                                                                                        | Date of next review     | 10.02.26 |                                           |            |

| What hazard have you identified?<br>What are the risks from it? | Who is at risk? | How are the risks already controlled?<br>What extra controls are needed?                                                                                                                                                         | What has changed that needs to be thought about and controlled? |
|-----------------------------------------------------------------|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| Hazard - Falling down steep slope.<br><br>Risk - Injuries       | All             | Caen Meadow has a steep slope in places. Leaders to brief young people not to run down the slope and to take care when walking down.                                                                                             |                                                                 |
| Hazard - Falling in the water.<br><br>Risk - Drowning           | All             | For the most part, the water is very shallow at Caen Meadow, but there young people are near the deep water moorings, buoyancy aids must be worn. Leaders to brief young people on the hazards of the water in different places. |                                                                 |
|                                                                 |                 |                                                                                                                                                                                                                                  |                                                                 |
